GROWING UP

Who doesn't have a funny story about growing up? And if you can't think of one – chances are good you'll remember something as you hear your friends and neighbors tell theirs! We hope some of our favorite local stand-up comics will join us, but we know there are lots of other humorous stories just waiting to be told...everybody has at least one.

Join us for a fun, relaxing evening, telling stories, laughing, snacking and staying cool.

Finger foods and beverages will be available for donation; proceeds go to YRCC, of course.

(apologies to Stacy Pizzarusso for use of her name on any early communications; we did not have her permission.)

Please RSVP by June 12 to Jerry Florman 602.399.1679
